Benjamin A. Crunk, D.D.S., L.L.C. Financial Policy

Our office is proud to be a team whose mission is to deliver the finest dental service available today. We are concerned about your dental care and want to ensure that it is performed in the timeliest and most effective manner. In order to assist you with the investment in your dental health, we have outlined our financial policy:

All payment is expected on the day of service. Billing statements are mailed on the 1st of each month with payment being due on the 15th of each month. A \$25 per month billing fee is added to all overdue accounts. There is a fee of \$30 for all returned checks. For our patients with dental insurance coverage, please note there may be certain services that are necessary for the maintenance of good oral health that may not be covered by your dental insurance contract. The payment for these services is due in full on the day of service. Let us reassure you that we will only perform procedures we feel are necessary for your treatment and care.

Our office accepts cash, checks and all major credit cards. Proper identification is required. We also offer low interest financing through CareCredit for those who qualify.

There is a \$50 fee for missed appointments. We understand emergencies arise, and special circumstances will be taken into consideration before the fee is added. Please call within 24 hours of our normal business hours of Monday – Thursday to notify us of the need to reschedule appointments.

Dental Insurance Coverage

This office is happy to cooperate with individuals who are covered by dental insurance. We do ask that you read your policy thoroughly so that you are fully aware of the benefits provided and service coverage. Deductibles and co-payments required by your carrier are due on the day of service. Your employer has negotiated and purchased a certain level of dental benefits for you. Please note that our financial relationship is with you, not your insurance company. **All charges are your responsibility regardless of insurance payment.** We make every effort to estimate the patient portion of fees due upon completion of treatment. These are *estimates*, and actual amounts due may differ once the insurance claim has been paid. **Any unpaid insurance balance is the responsibility of the patient if not paid within 60 days from the date of service.**

I authorize Benjamin A. Crunk, D.D.S., L.L.C. to initiate a complaint with the Insurance Commissioner on my behalf should my insurance company fail to pay or deny a claim for services rendered within 30 days.

Thank you for placing your trust in us to provide you with your dental care! We look forward to a happy, health and affordable smile for you, your family and friends.

Failure to make payment according to the above guidelines is basis for legal action, and I agree to pay all costs of collection including reasonable attorney fees and court costs, and waive my right to claim exemption under the Constitution and Laws of the State of Alabama or any other state.

I have read and understand this policy and agree to the conditions of this legal and binding contract as indicated by my signature below.
